(a) Each district created pursuant to this Act shall be administered by a board composed of seven board members to be appointed and elected as provided in this section. Two board members shall be appointed by the governing authority of Hall County. Two board members shall be elected by vote of the electors; and three members shall be elected by the vote of equity electors. The members representing the electors and equity electors shall be elected to serve in post positions 1 through 5, respectively. Each elected board member must receive a majority of the votes cast for the post for which he or she is a candidate. Votes for posts 1 and 2 shall be cast by electors and votes for posts 3, 4, and 5 shall be cast by equity electors. The initial term of office for the members representing posts 1 and 4 shall be one year. The initial term of office for the members representing posts 2 and 5 shall be two years, and the initial term of office of the members representing post 3 shall be three years. Thereafter, all terms of office for the elected board members shall be for three years. The appointed board members shall serve at the pleasure of the governing authority of Hall County.

(b) The initial board members to be elected as provided in subsection (a) of this section shall be elected in a caucus of electors which shall be held within 90 days after the adoption

1 of the resolutions and obtaining the written consents herein provided at such time and place

4 conducted biennially, not later than 60 days following the last day for filing ad valorem real  
5 property tax returns in Hall County, a caucus of said electors at such time and place within  
6 the district as the board shall designate in such notice for the purpose of electing board  
7 members to those board member positions whose terms expire or are vacant. If a vacancy  
8 occurs in an elected position on the board, the board shall, within 60 days thereof, call a  
9 special election to fill the same to be held within 60 days of the call unless such vacancy  
10 occurs within 180 days of the next regularly scheduled election, in which case a special

## 22 **SECTION 6.**

### 23 Taxes, fees, and assessments.

25 property used nonresidentially, specifically excluding all property exempt from ad valorem  
26 taxation under the Constitution or laws of the State of Georgia; all property used for  
27 residential, agricultural, or forestry purposes; and all tangible personal property and  
28 intangible property. Any tax, fee, or assessment so levied shall not exceed 2.5 percent of  
29 the aggregate assessed value of all such real property. The taxes, fees, and assessments  
30 levied by the board shall be equitably apportioned among the properties subject to such  
31 taxes, fees, and assessments according to the need for governmental services and facilities  
32 created by the degree of density of development of each such property. The proceeds of  
33 taxes, fees, and assessments levied by the board shall be used only for the purpose of  
34 providing governmental services and facilities which are specially required by the degree  
35 of density of development within the district and not for the purpose of providing those  
36 governmental services and facilities provided to the county as a whole. Any tax, fee, or

assessment so levied shall be collected by Hall County in the same manner as taxes, fees, and assessments are levied by Hall County. Delinquent taxes shall bear the same interest and penalties as Hall County ad valorem taxes and may be enforced and collected in the same manner. The proceeds of taxes, fees, and assessments so levied, less a fee to cover the costs of collection of 1 percent of such proceeds, but not more than \$25,000.00 in any one calendar year, shall be transmitted by Hall County to the board and shall be expended by the board only for the purposes authorized by this Act.

(b) The board shall levy the taxes, fees, and assessments in subsection (a) of this section subsequent to the report of the assessed taxable values for the current calendar year and notify Hall County in writing so that the district levy may be included on Hall County's regular ad valorem tax bills.

(c) If, but for this provision, a parcel of real property is removed from a district or otherwise would become nontaxable, it shall continue to bear its tax millage then extant upon such event for bonded indebtedness of the district then outstanding until said bonded indebtedness then outstanding is paid or refunded.

(d) Each property owner paying taxes, fees, or assessments levied by the board for any public facility as set forth in Section 2 of this Act may receive a credit equal to the present value of all such taxes, fees, and assessments toward any impact fee as may be levied by Hall County against such property for system improvements which are in the same category as said public facility in accordance with Chapter 71 of Title 36 of the O.C.G.A., the "Georgia Development Impact Fee Act." Application for such development impact fee credit may be granted by legislative action of the governing authority of Hall County in its discretion.

## **SECTION 7.**

### **Boundaries of the districts.**

(a) The boundaries of each district shall be as designated as such by the governing authority of Hall County as set forth in the resolutions required in Section 4 of this Act, or as may thereafter be added as provided in this Act.

(b) The boundaries of a district may be increased after the initial creation of a district pursuant to the following:

(1) Written consent of a majority of the owners of real property within the area sought to be annexed and which will be subject to taxes, fees, and assessments levied by the board of the district;

(2) Written consent of owners of real property within the area sought to be annexed which constitutes at least 75 percent by value of the property which will be subject to

1 taxes, fees, and assessments levied by the board. For this purpose, value shall be  
2 determined by the most recent approved county ad valorem tax digest;

3 (3) The adoption of a resolution consenting to the annexation by the board of the district;  
4 and

5 (4) The adoption of a resolution consenting to the annexation by the governing authority  
6 of Hall County.

## 7 **SECTION 8.**

### 8 Debt.

9 Except as otherwise provided in this section, each district may incur debt without regard to  
10 the requirements of Article IX, Section V of the Constitution of Georgia, or any other  
11 provision of law prohibiting or restricting the borrowing of money or the creation of debt by  
12 political subdivisions of the State of Georgia, which debt shall be backed by the full faith and  
13 credit and taxing power of the district but shall not be an obligation of the State of Georgia  
14 or any other unit of government of the State of Georgia other than the district.

## 15 **SECTION 9.**

### 16 Cooperation with local governments.

17 The services and facilities provided pursuant to this Act shall be provided for in a  
18 cooperation agreement executed jointly by the board and by Hall County. The provisions  
19 of this section shall in no way limit the authority of Hall County to provide services or  
20 facilities within the district; and Hall County shall retain full and complete authority and  
21 control over any of its facilities located within its respective areas of any district. Said  
22 control shall include, but not be limited to, the modification of, access to, and degree and  
23 type of services provided through or by facilities of the county. Nothing contained in this  
24 section shall be construed to limit or preempt the application of any governmental laws,  
25 ordinances, resolutions, or regulations to the district or the services or facilities provided  
26 therein.

## 27 **SECTION 10.**

1 state institution or any municipal corporation, county, or political subdivision of this state

4 which the district contracts are authorized by law to undertake;

7 hereto;

30 section.

31 (b) The powers enumerated in each paragraph of subsection (a) of this section are  
32 cumulative of and in addition to those powers enumerated in this section and elsewhere in

34 (c) The powers enumerated in each paragraph of subsection (a) of this section are  
35 conferred for an essential governmental function for a public purpose, and the revenues and  
36 debt of any district are not subject to taxation.

**SECTION 11.****Bonds generally.**

(a) Notes or other obligations issued by a district other than general obligation bonds shall be paid solely from the property pledged to pay such notes or other obligations. General obligation bonds issued by any district shall constitute a general obligation of the district to the repayment of which the full faith and credit and taxing power of the district shall be pledged.

(b) All bonds, notes, and other obligations of any district shall be authorized by resolution of its board adopted by a majority vote of the board members at a regular or special meeting.

(c) Bonds, notes, or other obligations shall bear such date or dates, shall mature at such time or times not more than 40 years from their respective dates, shall bear interest at such rate or rates which may be fixed or may fluctuate or otherwise change from time to time, shall be subject to redemption on such terms, and shall contain such other terms, provisions, covenants, assignments, and conditions as the resolution authorizing the issuance of such bonds, notes, or other obligations may permit or provide. The terms, provisions, covenants, assignments, and conditions contained in or provided or permitted by any resolution of the board authorizing the issuance of such bonds, notes, or other obligations shall bind the board members of the district then in office and their successors.

(d) The board shall have power from time to time and whenever it deems it expedient to refund any bonds by the issuance of new bonds, whether or not the bonds to be refunded have matured, and may issue bonds partly to refund bonds then outstanding and partly for any other purpose permitted by this Act. The refunding bonds may be exchanged for the bonds to be refunded, with such cash adjustments as may be agreed upon, or may be sold and the proceeds applied to the purchase or redemption of the bonds to be refunded.

(e) There shall be no limitation upon the interest rates or any maximum interest rate or rates on any bonds, notes, or other obligations of any district; and the usury laws of this state shall not apply to bonds, notes, or other obligations of any district.

(f) Bonds issued by a district may be in such form, either coupon or fully registered, or both coupon and fully registered, and may be subject to such exchangeability and transferability provisions as the bond resolution authorizing the issuance of such bonds or any indenture or trust agreement may provide.

(g) All bonds issued by a district pursuant to this Act shall be issued and validated under and in accordance with Article 3 of Chapter 82 of Title 36 of O.C.G.A., the "Georgia Revenue Bond Law." The signature of the clerk of the Superior Court of Hall County may be made on the certificate of validation of such bonds by facsimile or by manual execution, stating the date on which such bonds were validated; and such entry shall be original

1 evidence of the fact of judgment and shall be received as original evidence in any court in  
2 this state.

3 (h) In lieu of specifying the rate or rates of interest which such bonds are to bear and the  
4 principal amount and maturities of such bonds, the notice to the district attorney or the  
5 Attorney General, the notice to the public of the time, place, and date of the validation  
6 hearing, and the petition and complaint for validation may state that the bonds when issued  
7 will bear interest at a rate not exceeding a maximum per annum rate of interest which may  
8 be fixed or may fluctuate or otherwise change from time to time and that the principal  
9 amount will not exceed and the final maturity date will not be later than as specified in such  
10 notices and petition and complaint or may state that, in the event the bonds are to bear  
11 different rates of interest for different maturity dates, none of such rates will exceed the  
12 maximum rate which may be fixed or may fluctuate or otherwise change from time to time  
13 so specified; provided, however, that nothing in this subsection shall be construed as  
14 prohibiting or restricting the right of a board to sell such bonds at a discount, even if in  
15 doing so the effective interest cost resulting would exceed the maximum per annum interest  
16 rate specified in such notices and in the petition and complaint.
